Filled, thrilled, spilled over!

Having been out with blokes who were into spanking and S&M and stuff like that, I've got really into it over the years.

Then I started seeing my current boyfriend and he proved the complete opposite.

Tony was so normal it was frightening, and every time I suggested something kinky, he always refused.

I was just starting to get bored of him when he finally confessed there was something he wanted, but he'd always been too shy to suggest it.

"I want to watch you getting fucked by a couple of guys," he said sheepishly. "Then join in and wank off all over you."

This was much more like it and I agreed in an instant.

"Why stop at two guys? Why not see me fucked by half a dozen?" I suggested, and he wanked all over me as I described the scene to him.

That night we drove out to a notorious stretch of woodland and found several guys loitering around watching couples in cars.

We turned on the light to attract their attention and Tony managed to round up four willing volunteers.

The first pulled his hard cock out and told me to get started on that.

I glanced over at Tony and saw he was watching expectantly, then sunk my mouth over it.

The others were quickly joined in, pulling their cocks out and standing around me so that I was encircled on all sides by stiff dicks.

I wanked, sucked and licked each in turn, spoilt for choice and unable to settle on one particular cock.

The guys took charge of the

situation and passed me around, each holding my head and fucking their dicks in and out of my mouth as the next waited to the right.

I arched my back to indicate there was another hole available and I felt someone slide into me from behind. With one in my mouth and one in my pussy, I took the two remaining cocks and pulled them close so that I could suck them all off.

"Oh fuck I'm going to cum!" said the bloke in my left hand, and closed my mouth over his shaft as it erupted all down my throat.

"I'll swallow all of your cum," I told them, hovering my mouth over two more cocks as they wanked into my face. The guys started pulling on their dicks like they were going for a world record and spunk splashed across my outstretched tongue and face as they started to cum.

I'd just gulped down one load and was licking up the excess from my lips when the next came all over my mouth.

He stuffed his dick to the back of my throat as he took his turn draining his swollen balls in my face.

I'd never drank from five cocks before, but was determined not to miss this opportunity, so when I felt the bloke in my cunt tense up behind me I told him to stick it in my mouth.

I wolfed his load down and looked for the fifth and final cock.

Tony stood in front of me and wanked his cock furiously. I knelt in front of him with

my head back and my mouth wide open, and a few seconds later he exploded all over my tonsils.

I closed my mouth around his cock, gulped as he pumped his salty load into my belly, then sighed with satisfaction and licked my lips.

I had truly had my fill of man fat.

I love it when guys offer you drinks all night!

My builder's bum sex fest

I've been happily married to Ian for eight years. I've got

two kids but have still got a good figure with shapely tits. I've always been faithful which is why what I'm about to tell you is so out of character.

Ian likes to take dirty pictures like these of me, and last week he left them out on the kitchen sideboard, just as a team of builders were about to come in to improve our council house. When I came back from taking the kids to school, I heard the builders, five lads aged from 18 to 40, talking about the pictures. I was so embarrassed I went and hid in the bedroom till they had left for the

KIRSTY

"Hi Escort readers, As you can see I'm lying on my bed, wearing a simple yet sexy pair of underwear, and rapidly taking it off. I'm a dirty brunette, and I'm feeling extra horny, us dark haired girls have more fun than blondes, I don't care what they say! I'm enjoying teasing the camera man and everyone else watching, unfortunately none of them want to join in, maybe they're just prudes, or they're being very professional. I'm not sure what the rest of the girls are up to in the magazine and how their photo shoots went, but I got told off for fingering myself and having too many orgasms, apparently you can't show any kind of finger fucking in your magazine, what a waste!" It's on the website don't worry!

Let's put this myth to bed. Blondes do have more fun, especially if you hand them a dildo and give them free license! "Well of course I'm going to, have fun if you give me a toy to play with. We were designed with a vagina and a clitoris so why not fill it and stimulate yourself at the same time!" And even better, why not do it on camera so that our Escort readers can enjoy the show first hand, with their other hand somewhere else! "Exactly."

REAL WIFE SEX

RED-FACED FOR ALL THE RIGHT REASONS

My wife Lizzie certainly knows exactly how to excite me. I adore shapely breasts, and Lizzie is the proud owner of the best knockers around. All she has to do is to remove her blouse: when I catch sight of the outlines of those massive globes in their cups, I'm sunk!

I'm an ordinary bloke with fairly run-of-the-mill sexual tastes and no kinks – or so I thought, until one night about three weeks ago when Lizzie surprised me by suggesting we try 'something new'. She wanted to be a dominatrix, and I was to be her sex slave. While I was very turned on by the idea of Lizzie dressed in spiked heels and

leather, I have to confess that I was not exactly overjoyed at the prospect of dressing up in a gimp suit, PVC codpiece or leather chaps! Lizzie put my mind at ease, assuring me that the only dressing-up requirement on my part would be to don a leather dog collar... I must, however, allow her to use me sexually in any way she so desired. I was to call her 'Mistress', do a bit of grovelling and worship her on my knees. All in all, judging from her obvious enthusiasm, it seemed a fair price to pay for what promised to be an ultra intense fuck! Lizzie looked almost regal in her dominatrix outfit. Her thigh-high patent

leather boots sported six-inch spiked heels, she wore a leather bra with a lace trim, long leather gloves, and a minuscule leather skirt, and in her hand she brandished a dressage whip, which she alternately sliced through the air or else tapped impatiently against a booted leg. Stunning. Slightly wary of the slashing whip, I

thick rubber phallus. She rolled up her tight leather skirt to reveal her mound. The dark curls around her protruding pink labia were glistening with pussy-dew. Dipping her gloved fingertips inside her gash, she glazed the dildo with her feminine essences – and inserted it into her pouting wet cunt-lips. I have to be honest here: it looked obscene – the pink rubber dildo sticking out from between her thighs, framed by her moist pubic curls. As she advanced towards me, I leant back, my only thought being to escape the monstrous dildo.

But her hands gripped my shoulders and before I knew it, the thick head of the dildo was mere inches from my face.

She moved it closer, the knob-head nudging my lips. "Kiss it," she urged as I tried to twist away, her voice hoarse with desire. Finally I did as she demanded, and Lizzie immediately jerked her hips forward while gripping the back of my head. I felt shamed to the depths of my being as my lips yielded. My whole mouth was filled with the thick rubber toy and I almost choked.

Then she stepped back, her eyes blazing, and ordered me onto the bed. I lay face down into the mound of pillows as she commanded, my buttocks raised high as the leather gloves separated my arse-cheeks, exposing my ring. I experienced a peculiar breath-arresting surge of excitement as she rubbed around its rim gently with one gloved hand while she stroked my stiffening cock with the other.

By the time it was rock-hard, I became acutely aware of the dreaded dildo again – this time prodding my bum-crack. As she guided it into the cleft, I felt it nudging my anus. My sphincter muscles tightened instinctively and my arse-cheeks clenched violently in an unconscious effort to arrest the invader. But Lizzie had planned for such resistance: that's why she'd made me suck the thing. Now, lubricated by my own saliva, the beast began to burrow deep inside of me.

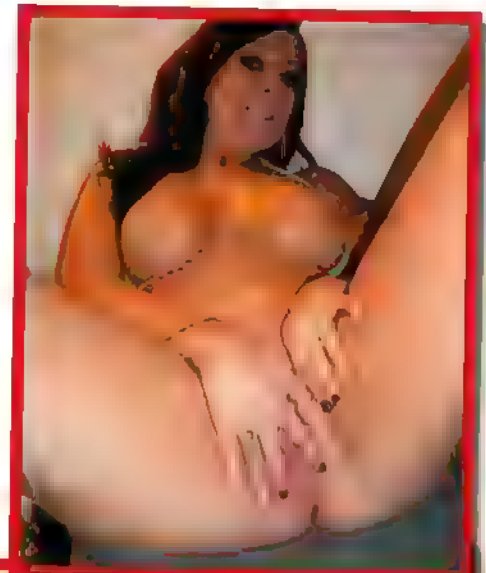

Though almost tearful with shame and embarrassment, I can't deny the incredible pleasure I felt as her hips jerked against me and I found myself anally impaled! Lizzie rode me slowly at first, gradually building up momentum as the double-ended dildo, which was thrusting between my

buttocks, pleased her pussy. Her belly slapped loudly against my bare buttocks as she fucked and wanked me simultaneously. As her orgasm peaked, I could feel her warm breath on my ear as her pelvis slammed the dildo deeper into me and held it there.

Incredibly, despite the humiliation, I found my arse pushing back against the dildo.

She continued pumping energetically at my rear – stimulating my prostate until I spunked off far harder and more copiously than at any time before, or since.

Mercifully, afterwards I was in control – not only of myself, but also of our relationship. For, once our little games are over things always return to normal and I am again Master in my own house, as it should be!

protested that our arrangement had been for her to use me sexually – not to be flagellated. "It's only a prop," she sneered.

Reaching behind herself, she fumbled with the fastening of her brassiere, releasing her magnificent breasts from their leather cages. Mesmerised as always, I bent my head towards them, parting my lips to suck on her teats. But before I had reached my goal, she ordered me down onto my knees.

Reluctantly, I knelt at her feet, my face only inches from her crotch. I raised my face to look at her, profoundly embarrassed. She stared me out icily, toeing my groin with her booted foot. Torn between humiliation and arousal, I looked down at her patent leather spike-heeled boots, and submitted to lust. Leaving me kneeling, she strode across the floor, her heels clacking against the parquet flooring. I followed her with my eyes: she was looking in her toy box, choosing a dildo. Realisation dawned – she intended to penetrate me!

I was confused. Did I want this? Then the cold, blinding truth hit me. Yes, I did. She turned to show me which toy she had chosen – and I physically gulped as, smirking sadistically, Lizzie displayed a huge double-ended dildo in her gloved fists: a full twelve inches of

day.
When I told Ian about it he was angry at first but he was so hard and horny when he was fucking me that night I could tell he was turned on. So he told me the next day to play up to them a bit more. So the next day, I let them in and then went up to have a shower. When one of the lads, Lenny, asked if he could use the toilet, I told him to wait, then walked out of the bathroom and "accidentally" bumped into him and dropped my towel. Then I squeezed his cock which was rock hard. He squeezed my tits and put two fingers up my sopping cunt. "Later big boy," I whispered, playing hard-to-get. Feeling this slutty, I played up with the lads all afternoon, only stopping to frig myself off in the bedroom. John kept touching me up and Lenny kept saying that I had great tits and saying my cunt was so wet it was staining my dress. The lads decided to take me out for a lunchtime drink so I got in the front of their Transit between Lenny and John, the other three in the back. We drove out to a village pub where no-one knew me and had a glass of wine. We

started playing pool, and I was bending over, my sopping cunt stuck right up in the air. All the locals were loving I as well as my lads. Then, while a couple of chaps kept the landlord out of the way, Lenny and John got me spreadeagled on the pool table. Before I knew it, there were hands all over me, and I had a cock in each hand, wanking them off. Soon I was on all fours, being fucked rigid by cocks. No sooner had one finished up me than another took its place. At one time I had one cock in my cunt, one in my arse and one in my mouth. In 45 minutes I must have been fucked by a dozen blokes. On the way home I sat in the back of the van, my clothes totally shredded, getting fucked again by the builders. They were taking pics of me in every conceivable filthy position, cocks in my arse, spunk all over my face and tits, my cunt lips spread apart. I never thought it was possible to be so shameless and so turned-on. It was the greatest thrill of my life! The building work finished two weeks late but I've not had any comeback about my

unfaithfulness. I've sent you some rude pics taken by the builders. I look forward to seeing them in Escort! I'm sure those dirty bastards do too!

A lovely wank in the park

My husband Alan and I had been out for a drink one balmy evening, and as it was a warm night we decided to cut through the park on the way home. We stopped near a large tree and started snogging. Alan had his hand in my knickers, squeezing my arse cheeks and rubbing my pussy. My knickers were soon damp with juice. Alan kept up the pressure until I came. I had to bite my tongue to stop myself screaming out loud. I grabbed his cock and felt it was hard

CHLOE

Do we really need to introduce our Editor Chloe Toy, probably not, you must be more than used to her by now! "How have you all been? I've been great, other than helping with the magazine I've spent the last few weeks reviewing sex toys for a well-known online store and I've had a great time getting paid to have orgasms! The rampant rabbit that you can see me using in this photo shoot was by far my favourite, I gave it a nine out of ten. I love using sex toys but loads of guys don't like it, I guess they feel intimidated by them. That's not my problem, all I want is to get myself off, and if a fella isn't up to it I'm more than happy to do it on my own!"

Casey was rather forward with us during her photo shoot! "My pussy is pulsating right now! You guys are just a bunch of teases, how do you expect me to catch a train home after this without getting a good fucking? I shaved my pussy especially for today and bought this sexy gold outfit too. I was hoping to get my lingerie ripped off me at some point and bent over with someone fucking me. Unfortunately this ever happened! I can't believe that you're going to send me home on public transport in this state of mind, I might just pounce on the nearest guy on the train and drag him off to the toilets! It's all your fault."

Who doesn't fall head over heels in love with a woman in a nurse's uniform, we certainly do over here at Escort. "I always like to dress up in something sexy for my men. The nurses outfit is a favourite of mine, but my policewoman gear really get me in the mood, and I love the looks on their faces when I pull out the handcuffs and truncheon!"

"Do you like looking at me put my makeup on, because my boyfriend does, it's his favourite thing? We always end up being late when we go out to meet friends because he gets super horny when I'm just in my bra and knickers putting some slap on my face! Needless to say, I have to put all of my makeup back on after he's had his wicked way with me. We don't like using condoms so he ejaculates anywhere other than inside me, usually one my face, which doesn't mix well with my mascara and foundation! The excuse we come up with when we turn up late will make you laugh!"

Text What woman doesn't like getting their hands and lips on a massive dildo, using it to satisfy their cravings? I'd much rather have a huge cock in my mouth and pussy, but we all have a back up plan in place! "I can't always find a suitable man so I have to be a bit inventive, so please let me introduce you to my favourite dildo! This beauty is my best friend. It's so big and thick, just the way I like it, it even has the veins running down the shaft. I love watching it slide it in and out of my pussy, imagining that it's a real cock instead. To be honest, sometimes it's better than the real thing, it lasts as long as I need it to and never bursts it's load too early! If all men could be like that!"

Being a bit tipsy and extremely randy, I stood up and walked over to him. He made to leave, but I calmly told him I'd give him a blow job if he wanted.

Without speaking he sat back down. I knelt in front of him and saw his huge cock – it must have been a full nine inches and thick with it.

I took his balls in my mouth and stroked his cock with my hand. Then I closed my lips over the tip of his cock and started to suck him off as he moaned in appreciation.

I went to work, sucking him off for all I was worth and squeezing his balls in my hand.

As I was sucking, I felt Alan's cock rubbing against my arsehole from behind.

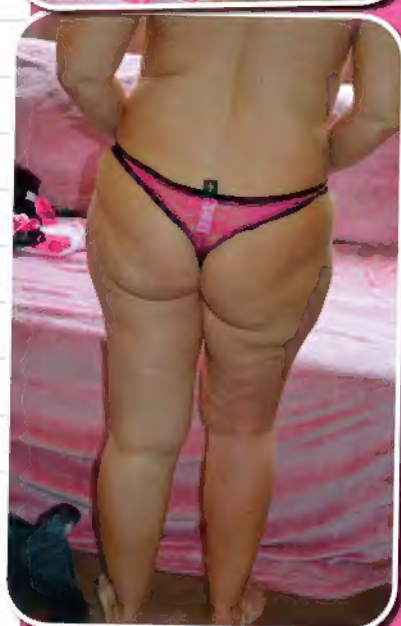

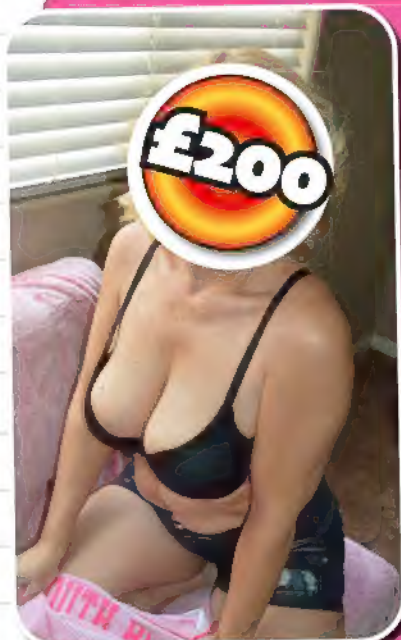

He eased himself inside me and started fucking my arse.

Then the stranger said he was going to cum and pulled out of my mouth.

I kept wanking him until his cock erupted. Spunk went everywhere, some hitting my chin. I wiped it off with my fingers and licked them clean.

Alan then filled my arse with cum, triggering my last and strongest orgasm. We pulled our clothes on and walked home, the stranger going in the opposite direction.

Who knows what is next?
Shirley

and ready for action. I undid his trousers and let them drop. Then I knelt down in front of him and began to suck his cock. He held the back of my head and fucked my mouth till he came.

He filled my mouth and I swallowed as much as I could.

I love the taste of creamy cum! I told Alan I wanted him to fuck me on the bowling green.

We scrambled over a fence on to the green and Alan undid his trousers while I pulled my wet knickers off.

I stroked his cock until it was solid again and then knelt down on my hands and knees, my naked arse sticking in the air and begging to be fucked.

Alan knelt behind me and

rubbed the tip of his cock over my pussy, teasing me. I reached between my legs, grabbed his cock and guided it into my cunt.

Alan slammed it all the way in until his balls slapped against me. He waited a moment before pulling out so only his end was inside me. Then he slammed back into me hard.

He built up a steady rhythm. My juices were flowing and I came for the second time that night.

Suddenly Alan increased the pace of his thrusts and spunked up me.

As we lay on the green recovering, I noticed a man sitting on a bench 20 yards away. He was wanking himself off. Alan suggested I offer to finish him off.
